

Side: There And Gone

Round Count: 15

Target Distance: 10-20 yards

Targets Required: 3x Poppers, 2x Drop-Turners, 1x Double -Swinger, 3x Standard Threats

Props Required: 1x Table, 3x Non-Threats, 1x Tarp

Scoring Method: Vickers Count

Starting Position: Standing facing down range at position P1, carbine held at low ready, loaded handgun in holster.

Start Signal: Audible

Stop Signal: Last Shot Fired

Scenario: You are a security contractor at a corporate research facility. A group of armed men has taken some of the research scientists hostage and are threatening their lives. You decide to intervene and save the scientists.

Concealment Garment: Not Required

Procedure: On the start signal, engage PP1 through PP3 and T1 through T3 with your carbine. When your carbine is empty, place it on the table and engage any remaining threats with your handgun.

Scoring: All threats must have two hits. All steel must fall.

Notes: Target heights should vary. Carbine begins loaded with 10 rounds. T4 should be 33% covered by the non-threat, and T6 should be 50% covered by the non-threat.
